## Rental of other assisted devices

---

If you need support devices in situations such as there are no rails on the bed at your accommodation, care support center might be able to fit devices at the accommodation you have reserved. Please contact the Akita Barrier-Free Tour Center in advance for consultation.

Nichii Care Center Goshono	☎ 018-889-8411
Kankyo Corporation	☎ 018-880-5588

The rental fees are 100% paid by the person renting.  
(The cost is not covered by care insurance.)

### Care Support Services Guide

The Akita Barrier-Free Tour Center recommends Nichiigakkan Co., Ltd. as care support specialists. Please consult the Akita Barrier-Free Tour Center concerning your physical condition and request and they will pass along the information to them.

- Accompany and provide full care support
- Assistance with bathing at your travel destination\*
- Escort to tourist attractions(check everything is ok, show where the toilets are etc.)

**【Estimated price】 Price for each service1 hour: ¥5,400 (¥1,296 for each additional 30mins)**

\*It must be stressed the prices are estimates and extra charges apply if assistance is needed late at night or early in the morning. However, the prices change depending on the length of your trip or the frequency that you use these services. Please enquire about this at your convenience.

[Precautions for Wheelchair Rental↓](#)

# Terms of Use Wheelchair Rental

Please be sure to read the following notes carefully and agree to them before using it.

## 1. Purpose

Akita Barrier-Free Tour Center ("Lessor") provides a wheelchair rental service for helping the Lessee to travel smoothly in Akita Prefecture.

## 2. Rental Period

It is up to 5 days from the rental start date.

## 3. Rental Fee

Returning until March 31, 2023, is free of charge as trial period. The charges after April 1, 2023 will be determined separately.

## 4. Delivery and Return

The rented wheelchair shall be delivered and returned at the place chosen by the lessor at the date and time requested by the lessee in advance.

## 5. Compensation for Loss and Damages

The lessor has the right to demand the lessee for repair or compensation if the wheelchair is lost, severely damaged or defacement due to the lessee's willfulness or negligence.

## 6. Prohibited Matter

The lessee must not do the following:

- A). Transferring or subleasing to a third party.
- B). Remodeling or customizing a wheelchair to change the current status.

## 7. Matters to be Discussed

If a problem arises regarding matters not stipulated in this agreement, both the lessor and the lessee shall discuss in good faith and resolve the matter.

## 8. Agreement start date

This agreement shall apply from September 25, 2020.
