Akita Airport ⇔ Akita Station Akita Chuo Kotsu

Being a highway bus, there is a large step when boarding so it's not possible to board with a wheelchair. However, you can fold your wheelchair and store it in the bus's trunk space and then board.

There is a discount for people with registered disabilities.

Purchase a children's ticket (half price) from the ticket machine in the arrivals area of Akita Airport and show your certificate when you get off the bus.
